

CLASS® 2nd Edition Pre-K-3rd Measurement Trainer Step-by-Step Checklist

Congratulations on completing your first step to becoming a CLASS 2nd Edition Pre-K-3rd Measurement Trainer. Complete these steps to ensure you have completed all requirements to deliver training.

Complete your CLASS 2nd Edition Trainer Knowledge Test located on your Teachstone Dashboard under the Certifications tile. If you do not see the test on your Teachstone dashboard, please contact [Teachstone Customer Support](#).

Complete your onboarding courses on your Teachstone Dashboard in the Learning Hub section. This can be accessed by doing the following:

Find the **Learning Hub**

Click **Show all available courses**

Click on **2E PK-3 Measurement Trainer Village**

Scroll down, find **Learn More**, and click on **Onboarding Courses**

A list of courses will appear and complete both courses:

CLASS 2nd Edition Pre-K-3rd Observer Transition Training Trainer Onboarding Course

CLASS 2nd Edition Pre-K-3rd Intro to Interactions for Educators Onboarding Course

Complete this course if you plan to deliver Spanish-language Observer Certification Training:

La 2.ª edición de CLASS Pre-K-3.ª Capacitación de certificación de observador en español

CLASS 2nd Edition Pre-K-3rd Measurement Trainer Village

Accessed via the Learning Hub, the Trainer Village is where you will find all of your training materials and videos, including links and downloadable files for offline access, to deliver the following trainings:

- + CLASS 2nd Edition Overview for Leaders
- + CLASS 2nd Edition Pre-K-3rd Intro to Interactions for Educators
- + CLASS 2nd Edition Pre-K-3rd Observer Certification Training
- + CLASS 2nd Edition Pre-K-3rd Observer Transition Training
