more than ever before.**

Virtual CLASS[®] Teacher Summit
August 4-5, 2020 - 12pm-4pm Eastern

WHO

The Interact Now: Teacher Summit is ideal for childcare, head start/early head start, and early elementary staff—anyone responsible for interacting with children this fall. From CLASS beginners to experts, there will be content for everyone.

WHAT

This virtual summit will support early childhood teachers on the most critical aspect of teaching—the ways we support children socially and emotionally.

Sessions will address:

- Maintaining high-quality interactions in all learning environments
- Creating a trauma-responsive classroom
- Educational equity
- Improving Instructional Support, at home or in the classroom
- Engaging with families and modeling interactions
- Preventing and addressing challenging behavior
- CLASS strategies for teaching
- And more!

WHY

With two days of content, you can:

- Watch live online or access all content and videos afterward
- Join Q&As with experts in the fields of teaching, interactions, trauma-informed care, social-emotional learning, and more
- Receive a certificate for 10 hours of PD
